A Thriving Example of a Modern Community

The Hamptons are a series of 'villages' to the south of Peterborough, Cambridgeshire, that pride themselves on rich community life, first-class amenities and wide-open spaces for recreation.

Hampton is home to two secondary schools and three primary schools, including Hampton Hargate Primary School which has been rated by Ofsted as 'outstanding'. Two further primary schools are also to be delivered over the next two years and soon to be 39 minutes direct to London Kings Cross, making it a perfect location for a growing family.

It's generously surrounded by beautiful scenery, including numerous lakes, picturesque nature walks, expansive parks, restaurants and shops for the whole family to enjoy, yet it is still within a stone's throw of the city. The background of the entire image is a classical painting depicting a grand interior space. It features several tall, fluted columns in the foreground, some of which are partially obscured by shadows. In the center, a large archway leads to a bright, sunlit outdoor area with a balustrade and lush greenery. The lighting is dramatic, with strong highlights on the columns and deep shadows in the recesses, creating a sense of depth and grandeur.
